HENDERSON'S

CITY OF WINNIPEG

DIRECTORY

FOR 1891

INCLUDING A

Complete Classified Business Directory.

PRICE, - \$3:00

PUBLISHED BY

THE HENDERSON DIRECTORY CO., WINNIPEG, MAN.

ENTERED according to Act of Parliament of Canada, in the year One Thousand Eight Hundred and Ninety One, by The Henderson Directory Co., in the office of the Minister of Agriculture.

The Publishers have much pleasure in submitting herewith the twelfth annual edition of their City of Winnipeg Directory. The changing of the street names will cause some confusion for a time; in order to lessen the inconvenience as much as possible, both the old and new names are given in most cases. Every effort has been made to secure the christian names in full, which, we believe, will be of advantage.

All numbers under 200 are East of Main street; numbers 200 to 300 from Main to Princess or Donald; and over 300, west of Princess and Donald. The terms east and west of Main have been done away with. Houses are numbered consecutively from the Red River westwards, and from the Assiniboine River northwards.

Under the new system of street names, Notre Dame west is made Central av, and the streets and avenues are numbered North and South from it.

Attention is called to our Complete Classified Business Directory. The steady increase of population has largely reduced the number of vacant houses over previous years,

The following estimate of the population of the city, based on the number of names in the Directory each year, from 1876 to 1890, is submitted.

Year. Increase.	Decrease.	Year. Increase, Decrease	ð.
1876 3240		July, 188424700 2177

ESTIMATED POPULATION, 1891-26,500.

Our Estimate of Population we believe will exceed the Census Returns, but as it does not include floating population our estimate is about the actual population

Respectfully,

MUTUAL LIFE INSURANCE COMPANY

OF NEW YORK.

RICHARD A, McCURDY, - - - - PRESIDENT.

Canada North-West General Agency offices, corner main street and portage avenue, winnipeg.

LET THE RECORD SPEAK FOR ITSELF.

	Mutual Life.	Equitable.	New York Life
Commenced Business	1843.	1859.	1845.
Received from Policy-Holders	\$388,742,357.65	\$261,768,842.41	\$245,587,220.50
Total paid to Policy-Holders	304,655,147.17	143,594,280.38	142,623,602.89
Dividends paid to Policy-Holders	83,826,567.63	37,225,517.07	39,658,809.35
Surrender values paid to ditto	81,909,567.80	25,525,076.25	27,152,933.97
Paid in 1890 to Policy-Holders	16,973.200.05	13,256,671.71	13,279,544.02
Assets on 1st January, 1891	147,154.961.20	119,243,744.00	115,947,809.97

During the past year the Mutual Life paid to its policy-holders and their representatives (vidows and orphans) the magnificent sum of \$16,973,200.05, being the largest amount ever distributed in any one year by any Life Insurance Company in the world; and since the Company's formation in 1843 it has disbursed in the same way the enormous sum of \$304,655,147,17, being \$18,437,263.90 mere than the comined payments (\$286,217,883.27) made to their policy-holders by both the Equitable Life and the New York Life, the two next largest Life Insurance Companies in the world. The mind can scarcely grasp the immensity of this sum—\$304,655,147.17—or realize the great good its distribution has accomplished, in relieving the wants of the needy, in carrying timely assistance and comfort to widows and orphans, and in saving hundreds of thousands from destitution and poverty.

THE BEST COMPANY IS THE ONE THAT DOES THE MOST COOD.

THE MUTUAL LIFE'S CASH DIVIDENDS and BONUS ADDITIONS to its policies far exceed those of any other Company in the world, while its assets exceed by nearly THIRTY MILLIONS OF BOLLARS those of the next largest Company, and ONE HUNDRED AND TWENTY-FIVE MILLIONS OF BOLLARS more than the entire assets of all the Canadian Life Insurance Companies. Then why pay your money for unprofitable insurance, or still worse, for policies or certificates in weak Companies or Assessment Societies (THAT YOU WILL PROBABLY OFTHINE), when you can secure a profitable life insurance provision for your family, and for yourself freedom from all anxiety as to the safety or certainty of the investment made for their benefit, by insuring your life in the MUTUAL LIFE INSURANCE COMPANY OF NEW YORK, the oldest Life Insurance Company in America, and the largest and best in the world.

Persons intending to insure, and those already insured, would do well to consider the advantages offered by THE MUTUAL LIFE before insuring, or renewing their present policies, with other Companies, for

It DOES make a Difference WHERE We Insure.

I have no desire to share in the responsibility involved in any one's wife and children, or other dependents, being left without the protection afforded by a policy in the grand old Mutual Life, therefore every person who is not already insured in the Mutual Life Insurance Company of New York is cordially invited to call at the Company's office. Winnipeg, and obtain a policy of life insurance that insures, in a Company that cannot be squeezed out of existence.

Forms of application, with full instructions, sent to any Address on Application.

T. CHISHOLM LIVINGSTON, RESIDENT DIRECTOR.

The Mutual Life Insurance Company of New York, WINNIPEC, MANITOBA, CANADA.

J. F. PRUD'HOMME, SECRETARY.
